

How to apply for Consent under Air Act of DG Set alongwith Authorization under Hazardous Waste Rules

(Only for DG Sets installed standalone at Shops/Showrooms/Residential areas/Mobile Towers etc.)

- Firstly fill your login credentials to open the account.
- Click on **APPLY FOR CONSENT TAB** to start the application form.

- After this an application form is open. Select the fields for which you want to apply for like if you want to apply for consent to establish (CTE) then click on radio button of **CTE** and if you want to apply for Consent to Operate (CTO) then click on **CTO** radio button.
- After this, click on Authorization under Hazardous waste
- Then select Application for : **DG Set**
- After this, select Air Emission in Emission/Discharge column.

- After this, submit the application form.

- You can also check the status of your application form against the link mentioned below.

The screenshot shows the 'Online Consent Management & Monitoring System' interface. The navigation menu includes 'Home', 'Consent Management', 'Laboratory Management', 'Waste Management', 'CESS Management', 'Knowledge Base', and 'Logout'. The 'Consent Management' tab is highlighted. Below the navigation menu, there is a sidebar with options: 'Apply For Consent', 'Industry Profile', 'Change Password', and 'Submit Reports/Any Query'. The main content area features a banner with a tree and the text 'Welcome CPCC Test Industry 1' and 'Date : 29-7-2020'. Below the banner, there are two tabs: 'In-progress Application' and 'Completed Application', with the latter highlighted. A table is displayed below the tabs, with columns: Application No, Submission Date, Application For, Application Type, Certificate For, Status, Application/Certificate Status, Scrutiny Status By CPCC, Scrutiny Completion Date By CPCC, and Approval Status By CPCC. The table currently shows 'List Is Empty'.

Application No	Submission Date	Application For	Application Type	Certificate For	Status	Application/Certificate Status	Scrutiny Status By CPCC	Scrutiny Completion Date By CPCC	Approval Status By CPCC
